ADVANCED MEDICAL IMAGING: RADIOGRAPHY IN SUSPECTED PHYSICAL ABUSE

KEY FACTS
This 15 credit module is aimed at radiographers who want to develop their skills in competently performing examinations for suspected physical abuse in children. The module will develop your knowledge in the guidance and legal frameworks involved in performing these examinations and enhance your skills in critically evaluating systems of work and your own practice.

OUR TEAM
Your learning will be delivered by a broad range of teaching and learning experts as well as clinical leaders from practice.

DELIVERY
**Attendance Dates**
- Two day attendance TBC
- The remainder of the module will consist of independent learning.

**No Clinical Placement Required**
You must be placed within a Radiography department to support the work required on this module.

**Independent Learning**
In line with the national QAA post-graduate learning descriptors you are expected to develop skills in independent learning, and this module will support you in achieving this.
**COURSE FEES**

The course fees include all tuition and assessment fees, virtual and actual access to all the library facilities, including our on-line virtual learning environment “Blackboard”, and one re-assessment if required.

**Radiography in Suspected Physical Abuse**  
Single Module (15 credits) / £648

Taken as part of a full pathway:  
PgCert in Advanced Medical Imaging (60 credits) / £2,592  
PgDip in Advanced Medical Imaging (120 credits) / £5,184  
MSc in Advanced Medical Imaging (180 credits) / £7,776

**APPLICATION PROCESS**

Applicants must apply for registration to the University in the following steps. If you are taking this as a single module only please skip step 1.

**Step 1 - Registration**  
/ All applicants must register with the University  
www.salford.ac.uk/apply-postgraduate  
/ On the online application form:  
/ Select Postgraduate Certificate  
/ Select Course Name: Postgraduate Certificate in Advanced Medical Imaging, Postgraduate Diploma in Advanced Medical Imaging or Master of Science in Advanced Medical Imaging depending on your mode of study  
/ Within My documents, Miscellaneous Documents add a word document entitled Module Selection / Supporting Statement. Within this document clearly state the module/s that you wish to apply for and the specialism. For example: I wish to apply for the module ‘Radiography in Suspected Physical Abuse’ plus the additional modules you are interested in.

**Step 2 - Confirmation of Funding**  
You must provide a purchase order number for the total amount of your module to our course administrator Barbara Henning on b.a.henning@salford.ac.uk

**Step 3 - Verification of Clinical Requirements**  
You are required to complete a Verification of Clinical Requirements form to show that you have the relevant support on placement. This is located within www.salford.ac.uk/course-finder, Postgraduate Taught, Advanced Medical Imaging, Entry Requirements. Return this to Barbara Henning on b.a.henning@salford.ac.uk

**SINGLE MODULE ENTRY:** If you are taking this as a single module and not part of a Postgraduate Certificate / Diploma or Masters or are self funding then from www.salford.ac.uk/advanced-medical-imaging  
/ Select ‘Applying’ down the left hand tab  
/ Select ‘Applying for a taught course’  
/ Select ‘Post Qualifying Health and Social Care Single Modules’  
/ Select ‘Level 7 Masters Application Form’  
/ Within your Personal Statement please ensure to state the module you wish to apply for ‘Radiography in Suspected Physical Abuse single module’.
