ADVANCED MEDICAL IMAGING: PRINCIPLES OF ADVANCED PRACTICE

KEY FACTS
This 15 credit Principles of Advanced Practice (PAP) module is theoretical and mandatory if you are new to post-graduate level study and/or intended to further develop your scope of clinical practice. It will help maximise your potential for success in your post-graduate AMI study pathway. Its aims are to:

- support you in developing your Scope of Practice
- introduce you to the skills of critical reflection for personal and service development
- promote Evidence Based Practice
- develop your principles of clinical leadership for Advanced Practice

OUR TEAM
Your learning will be delivered by a broad range of teaching and learning experts as well as clinical leaders from practice.

DELIVERY
Attendance Dates
30 September - 2 October 2019
The remainder of the module will consist of independent learning.

Assessment
December 2019

No Clinical Placement Required
The module does not include a clinical component therefore is suitable for students without a placement.

Independent Learning
In line with the national QAA post-graduate learning descriptors you are expected to develop skills in independent learning, and this module will support you in achieving this.
For further information, please contact:
Jo Coward
j.coward@salford.ac.uk
Module Leader: Principles of Advanced Practice

Dr Claire Mercer
c.e.mercer@salford.ac.uk
Programme Leader: Advanced Medical Imaging

COURSE FEES
The course fees include all tuition and assessment fees, virtual and actual access to all the library facilities, including our on-line virtual learning environment “Blackboard”, and one re-assessment if required.

Principles of Advanced Practice (PAP)
Single Module (15 credits)
£648

Taken as part of a full pathway:
PgCert in Advanced Medical Imaging (60 credits)
£2,592

PgDip in Advanced Medical Imaging (120 credits)
£5,184

MSc in Advanced Medical Imaging (180 credits)
£7,776

APPLICATION PROCESS
Applicants must apply for registration to the University in the following steps. If you are taking this as a single module only please skip step 1.

Step 1 - Registration
All applicants must register with the University
www.salford.ac.uk/apply-postgraduate

On the online application form:
Select Postgraduate Certificate
Select Course Name: Postgraduate Certificate in Advanced Medical Imaging, Postgraduate Diploma in Advanced Medical Imaging or Master of Science in Advanced Medical Imaging depending on your mode of study
Within My documents, Miscellaneous Documents add a word document entitled Module Selection / Supporting Statement. Within this document clearly state the module/s that you wish to apply for and the specialism.
For example: I wish to apply for modules Principles of Advanced Practice, Advanced Procedures, Core Skills for Radiological Reporting and Advanced Procedure Reporting, my specialism is MSK Reporting

Step 2 - Confirmation of Funding
You must provide a purchase order number for the total amount of your module to our course administrator Barbara Henning on b.a.henning@salford.ac.uk

Step 3 - Verification of Clinical Requirements
You are required to complete a Verification of Clinical Requirements form to show that you have the relevant support on placement. This is located within www.salford.ac.uk/course-finder, Postgraduate Taught, Advanced Medical Imaging, Entry Requirements. Return this to Barbara Henning on b.a.henning@salford.ac.uk

SINGLE MODULE ENTRY: If you are taking this as a single module and not part of a Postgraduate Certificate / Diploma or Masters or are self funding then from www.salford.ac.uk/advanced-medical-imaging
Select ‘Applying’ down the left hand tab
Select ‘Applying for a taught course’
Select ‘Post Qualifying Health and Social Care Single Modules’
Select ‘Level 7 Masters Application Form’
Within your Personal Statement please ensure to state the module you wish to apply for Principles of Advanced Practice
