ADVANCED MEDICAL IMAGING: CORE SKILLS FOR CHEST REPORTING

KEY FACTS
Core Skills for Chest Reporting (CSCR) is a 15 credit theoretical module introducing concepts that influence image appraisal, decision making and communication. CSCR supports you to develop your practice by applying your knowledge of these concepts to analysis of your clinical reporting caseload.

OUR TEAM
Academics and clinical experts holding honorary lecturer appointments with the University of Salford have developed learning resources and will deliver the teaching for this module.

DELIVERY

Attendance Dates
15 - 17 January 2020
The remainder of the module will consist of independent learning.

Assessment
June 2020

Clinical Placement
A clinical placement with access to a clinical caseload and the support of a clinical mentor will be required.

Independent Learning
In line with the national QAA post-graduate learning descriptors you are expected to develop skills in independent learning, and this module will support you in achieving this.

Full details: www.salford.ac.uk/health-and-society
For further information, please contact:
Joanne Ashworth

Module Leader: Core Skills for Chest Reporting
Dr Claire Mercer
c.e.mercer@salford.ac.uk
Programme Leader: Advanced Medical Imaging

COURSE FEES
The course fees include all tuition and assessment fees, virtual and actual access to all the library facilities, including our on-line virtual learning environment “Blackboard”, and one re-assessment if required.

Core Skills for Chest Reporting (CSCR) Single Module (15 credits)
/ £648

Taken as part of a full pathway:
PgCert in Advanced Medical Imaging (60 credits)
/ £2,592
PgDip in Advanced Medical Imaging (120 credits)
/ £5,184
MSc in Advanced Medical Imaging (180 credits)
/ £7,776

APPLICATION PROCESS
Applicants must apply for registration to the University in the following steps. If you are taking this as a single module only please skip step 1.

Step 1 - Registration
/ All applicants must register with the University
www.salford.ac.uk/apply-postgraduate
/ On the online application form:
/ Select Postgraduate Certificate, Select Course Name: Postgraduate Certificate in Advanced Medical Imaging, Postgraduate Diploma in Advanced Medical Imaging or Master of Science in Advanced Medical Imaging depending on your mode of study
/ Within My documents, Miscellaneous Documents add a word document entitled Module Selection / Supporting Statement. Within this document clearly state the module/s that you wish to apply for and the specialism.
For example: I wish to apply for modules Principles of Advanced Practice, Advanced Procedures, Core Skills for Radiological Reporting and Radiology Image Interpretation my specialism is MSK Reporting

Step 2 - Confirmation of Funding
You must provide a purchase order number for the total amount of your module to our course administrator Barbara Henning on b.a.henning@salford.ac.uk

Step 3 - Verification of Clinical Requirements
You are required to complete a Verification of Clinical Requirements form to show that you have the relevant support on placement. This is located within www.salford.ac.uk/course-finder, Postgraduate Taught, Advanced Medical Imaging, Entry Requirements. Return this to Barbara Henning on b.a.henning@salford.ac.uk

SINGLE MODULE ENTRY: If you are taking this as a single module and not part of a Postgraduate Certificate / Diploma or Masters or are self funding then from
www.salford.ac.uk/advanced-medical-imaging
/ Select ‘Applying’ down the left hand tab
/ Select ‘Applying for a taught course’
/ Select ‘Post Qualifying Health and Social Care Single Modules’
/ Within your Personal Statement please ensure to state the module you wish to apply for Principles of Advanced Practice
